

EVENTS & CATERING

Founded in 2006 in Madison, Wisconsin, Gotham Bagels was born when its founder, "Joey Bagels," brought authentic New York City bagel recipes and traditions to the Midwest. What began as a single neighborhood shop has grown into multiple locations across Wisconsin and Chicago, known for hand-rolled bagels made fresh daily using traditional methods and quality ingredients. Still locally owned and operated, Gotham Bagels also offers catering services at all locations, providing fresh and convenient options for meetings, corporate events, and gatherings of any size.
